Subject: S/001/007 - FRED LOPEZ (PUMICE)

JOELLE:

I SPOKE WITH MR. BRUCE EVANS (SANDSTONE CO.?? - NEPHI, UTAH) 1-623-2332, THIS MORNING ABOUT HIS REACTIVATING FRED LOPEZ'S SMO - PUMICE OPERATION (ML-35683). HIS COMPANY MET WITH JERRY MANSFIELD, MR. LOPEZ AND BRADSHAW'S ON SITE LAST WEEK TO DISCUSS PERMIT/PROPERTY BOUNDARIES. BRADSHAW'S PROPERTY IS APPARENTLY IMMEDIATELY ADJACENT TO LOPEZ'S LEASE.

MR. EVANS PLANS TO JUST TAKE SOME BULK SAMPLES OF THE MATERIAL FOR THE TIME BEING BACK TO NEPHI TO WASH IT AND FLOAT OFF THE PUMICE (WHICH THEY'RE PRIMARILY INTERESTED IN). IF THEIR TESTS PROVE FAVORABLE, THEY MAY DECIDE TO GO AHEAD AND EXPAND/DEVELOP THE MINESITE AREA FURTHER. MR EVANS INFORMED ME THEY WILL NOTIFY US WHAT THEIR PLANS ARE ONCE THEY MAKE A DECISION.

I CALLED STATE LANDS AND SPOKE WITH TERESSA ABOUT THE STATUS OF THE STATE LEASE. SHE SAID IT IS STILL VALID AND CONFIRMED THAT JERRY MANSFIELD WAS OUT ON THE SITE LAST WEEK WITH THE LEASEES AND MR. EVANS. I INFORMED MR. EVANS THAT MR. LOPEZ'S SMO PERMIT WAS ALSO STILL VALID AND WE WOULD HAVE NO PROBLEM WITH THEIR TESTING ACTIVITIES SO LONG AS THEY DID NOT EXCEED THE 5-ACRE THRESHOLD FOR DISTURBANCE.

JOELLE, PLEASE UPDATE DBASE RECORDS FOR REACTIVATION OF SITE AND PLACE A COPY OF THIS E-MAIL MEMO IN THE MINE FILE. THANK YOU!

CC: JMANSFIELD
